Medan, Sumatera Utara

Detail-oriented and analytical Information Technology graduate with hands-on experience in mobile application development, software testing (QA), UI/UX design, database systems, and data analysis through internship and academic projects. Skilled in analyzing user requirements, developing responsive applications using Flutter, conducting functional and API testing, and validating data with SQL. Adaptable, collaborative, and committed to delivering reliable digital solutions while continuously learning new technologies.

Education

Institut Teknologi Del - Laguboti, Toba, Sumatera Utara <i>Diploma in Information Technology, 3.34/4.00</i> - Completed coursework in Software Engineering, Mobile Application Development, Software Testing & QA, Database Systems, UI/UX Design, and Data Analytics. - Completed an internship at Badan Pusat Statistik Deli Serdang, developing a Flutter-based mobile application for internal IT issue reporting (LaporIT). - Developed academic projects in Software Testing, Data Analytics, UI/UX Design, and Database Engineering.	Sep 2023 - Aug 2026
---	---------------------

Technical Experience & Project

Badan Pusat Statistik Deli Serdang - Deli Serdang, Sumatera Utara <i>Mobile Application Developer & UI/UX Intern</i> - Developed LaporIT, a Flutter-based mobile application for reporting and tracking internal IT issues. - Translated user requirements into responsive and user-friendly mobile interfaces for internal workflows. - Performed functional testing and system validation to ensure application reliability and usability.	Mar 2026 - Jun 2026
Redesign Toba Creative House Website (Academic Project) - Del Institute of Technology <i>UI/UX Designer</i> - Conducted UI/UX evaluations using heuristic analysis and feedback from 10+ users. - Redesigned user interfaces, user flows, and interactive prototypes using Figma and Balsamiq. - Produced usability evaluation reports and design recommendations for future system improvements.	Apr 2025 - Jun 2025
Kawal PTN Information System (Academic Project) - Del Institute of Technology <i>Software Tester / Quality Assurance</i> - Designed and executed 30+ functional and UI test cases to ensure software quality. - Identified, documented, and verified defects in collaboration with the development team. - Performed API testing using Postman and database validation using SQL.	Jan 2025 - Jun 2025
Global Country Data Analytics & Visualization (Academic Project) - Del Institute of Technology <i>Data Analyst</i> - Performed data cleaning, preprocessing, and exploratory data analysis (EDA) using Google Colab. - Developed interactive dashboards in Looker Studio to visualize trends and key insights. - Applied dynamic filters and data visualizations to support analytical reporting.	Oct 2024 - Dec 2024
HKBP Hutanamora Church Information System (Academic Project) - Del Institute of Technology <i>Database Design</i> - Designed relational database models using ERD, CDM, and PDM for 10+ database tables. - Implemented CRUD operations and optimized SQL queries to improve database performance. - Ensured data integrity and consistency throughout the database design process.	Jan 2024 - Jun 2024

Organisational Experience

IT Del Pre-UTBK Tryout Event x Privy - Laguboti, Toba, Sumatera Utara <i>Sosialisasi Division Member</i> - Coordinated outreach activities for 150+ participants during the Privy Try Out event. - Supported event operations and communication between participants and organizers.	Mar 2025 - Apr 2025
--	---------------------

Del Institut of Technology - Laguboti, Toba, Sumatera Utara <i>Member of Del English Club</i> • Participated in weekly English speaking sessions to strengthen communication skills. • Contributed to collaborative activities focused on public speaking and academic discussion.	Feb 2025 - Jun 2026
Del Debate Competition - Laguboti, Toba, Sumatera Utara <i>Participant as First Speaker</i> • Represented the team as the opening speaker in the British Parliamentary Debate format. • Demonstrated analytical thinking, structured argumentation, and public speaking skills.	Feb 2025 - Mar 2025
General Election Commission - Laguboti, Toba, Sumatera Utara <i>Design Division Member</i> • Designed promotional and branding materials for organizational events. • Collaborated with the committee to ensure consistent visual communication.	May 2024 - Nov 2024
HIMATIF - Laguboti, Toba, Sumatera Utara <i>Competition Division Member</i> • Coordinated the planning and execution of academic and non-academic competitions organized by HIMATIF. • Managed competition schedules, participant registration, and communication with contestants and committees. • Collaborated with cross-functional teams to ensure competitions were conducted smoothly and on schedule. • Evaluated competition implementation and contributed to improving future event organization.	Oct 2024 - Present

Achievements and Skills

- **Achievements** 🏆 (2025): Responsible AI with GitHub Copilot
- **Achievements** 🏆 (2025): Self-Paced Microsoft Azure AI Fundamentals: Microsoft AI-900T00-A
- **Achievements** 🏆 (2025): Meta Data Analyst
- **Achievements** 🏆 (2024): Learn SQL with AI at DQLab
- **Achievements** 🏆 (2024): National Webinar: Strategies for Utilizing Artificial Intelligence (AI) for Research and Development in Higher Education
- **Achievements** 🏆 (2025): Self-Paced Azure AI Basic Fundamental
- **Programming & Development:** Flutter (Dart), PHP, HTML, CSS, JavaScript
- **Software Testing:** Manual Testing, Functional Testing, Regression Testing, API Testing, Test Case Design, Bug Reporting
- **Database & Data Analysis:** SQL, MySQL, PostgreSQL, MongoDB, Looker Studio, Microsoft Excel
- **Tools:** Visual Studio Code, Postman, Katalon, Selenium, Git/GitHub, Trello, PowerDesigner, Balsamiq, Word, PowerPoint
- **UI/UX & System Design:** Figma, Canva, StarUML, Draw.io
- **Soft Skills:** Analytical Thinking, Attention to Detail, Problem Solving, Communication, Teamwork, Critical Thinking, Adaptability, Time Management
